A special *Thank You* to the parents, teachers and students for your positive support during our standardized testing period. The student oriented notes, treats, wonderful attendance, arrival to school on time, and no appointments, all contributed to successful testing sessions. Word on the street has it that the no homework/testing period was enjoyed more by the parents than students :)) How can that be true?????

Congratulations to the following students who placed in the Step By Step Essay Contest:

1st Place \$100 - Sarah Malak

2nd Place \$ 75 - Jackie Sharon & Lauren Zeisloft

3rd Place \$ 50 - Catherine Rose & Isabelle Henry

Although the school year is rapidly coming to an end, it's not over until it's over.

Please support the educational goals of the school by having the children continue to focus on the curriculum, respect the rights of others, and put their school work at the top of the evening list of activities. Your continued support toward an enriching school environment will be appreciated.

A special note of appreciation to the faculty at Lehman-Jackson Elementary. They truly are dedicated, motivated, and a cooperative group of professionals who do a great job of educating our children each and every day of the school year. Thank you for a job well done!

Hang in there, it's almost over!!!
