Holiday Recess

Automated Phone Messages

Lake-Lehman utilizes an automated call system to notify parents of **late starts, emergency early dismissals and school cancellations.** Messages will be left on your phone and will be recorded on your answering machine if there is no answer. (Please be sure the district has your current phone number.) For the most up to the minute information, please check phone messages rather than calling the school as information could change and our phone lines must be kept open for emergencies. You may also access the district website as well as local radio and television stations for weather-related notifications.

Outdoor Recess

Unless outdoor temperatures drop below 20 degrees, recess will be held outdoors most days during the winter. Please be sure your child comes to school prepared for outdoor recess with a coat, hat, gloves and boots.
